Re: Your 12/15/04 Letter to the
Lyndon LaRouche Political Action Committee

2005 JAN 14 P 3 16
FEDERAL ELECTION
COMMISSION CENTER

Dear Mr. Morse:

Please be advised that I represent the Lyndon LaRouche Political Action Committee and its treasurer, Barbara M. Boyd, generally, and with regard to the matters raised in your December 15, 2004 and December 23, 2004 letters to the Committee. I request that future correspondence concerning these matters be addressed to me at the above address.

The December 15, 2004 letter was occasioned by review of the Committee's October Quarterly Report and is due today. The December 23rd letter was occasioned by review of the Committee's 12 Day Pre-General Report and is not due for response until January 24th. Rather than confusing issues or reports, this letter only responds to the issues you have raised concerning the October Quarterly Report. A separate response will be forthcoming concerning your December 23rd letter.

In your December 15, 2004 letter you state that the Committee may have failed to file or timely file 24 hour notices of independent expenditures and you have attached a list of the expenditures about which you are concerned ("the attachment"). You also request a verification that administrative expenses have been adequately disclosed and request clarification concerning petty cash transactions listed on Schedule B of the October Quarterly Report.
